

I believe that it would not be in my community's best interest to have K-love radio network moved to a LPFM broadcast due to the need for a family friendly, positive radio station. Not many of the other radio stations in my area are appropriate, they use foul language and they speak about anything they want and really don't care who listens. K-Love is seeing lives changed due to the life saving message of Jesus Christ and this should by no means be allowed to stop or allowed to be limited. Like the old saying if it's not broke don't fix it. Thank You.
